Passaic County Prosecutor Camelia M. Naloxone is a medicine administered by way of a spray into the subject's nostrils to counteract an opioid overdose.

Paterson police officers deployed Naloxone at 2:07 p.m. to a 21 year old male who resides in North Caldwell, New Jersey. Officers administered one (1) dose of Naloxone and the subject became responsive. Care of the subject was transferred to local emergency medical services.

Since 2014, members of law enforcement in Passaic County have received training in the administration of Naloxone to respond to suspected opiate overdoses. This incident is the fifty-fifth (55th) Naloxone deployment in Passaic County in 2017.
